

Table with multiple columns containing numerical data, likely representing a list of items or a dataset. The table is organized into several sections with headers and sub-headers.

Table with 100 columns and 1000 rows. Each row contains a list of words and their corresponding numerical values. The words are organized into groups, likely by syllable or phonetic similarity, and the values are numerical representations of their positions or weights. The table is a comprehensive list of Spanish words and their associated numerical data.

Table with 100 columns and 1000 rows. Each row contains a list of Spanish words and their corresponding English translations. The words are arranged in a grid-like format, with some words appearing in multiple rows. The table is a comprehensive glossary of Spanish-English vocabulary.
