Dear Dr. Obaid

ITSA Membership

Thank you once again for the submission of your application from the Transportation Safety Board (JST) of Argentina for membership of the International Transportation Safety Association (ITSA).

This letter is to confirm that, at a meeting of the membership of ITSA States conducted on 25 February 2021 via teleconference, the Association, by a majority vote of members, resolved to admit the Transportation Safety Board of Argentina (JST) as a full member.

The ITSA website will be updated shortly to reflect Argentina's membership, and you may access the ITSA website as a full member by logging on to <https://itsasafety.com/>

The membership password for the site will be forwarded in a separate email.

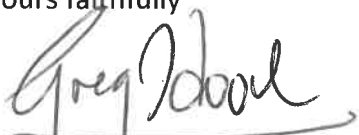

You are encouraged to review the content on the ITSA website, in particular the obligations of a member State.

Please note that due to the COVID19 pandemic, ITSA member States will not meet in person until 2022, however teleconference activities are planned for May and October 2021.

Details in relation to these teleconferences will be disseminated early in April 2021.

ITSA is pleased to welcome the JST of Argentina to the membership and looks forward to a mutual exchange of information to ensure the improvement of global transport safety.

Yours faithfully
